Oh-oh-oh-oh-oh-oooh, baby lover
Oh-oh-oh-oh-oh-oooh, baby lover

When things go wrong, you understand
You make me strong with your tender hands
Oh-oh-oh-oh-oh-oooh, baby lover
Oh-oh-oh-oh-oh-oooh, I love you so

I was a vine without a rose
Now that you're mine, my happiness shows
Oh-oh-oh-oh-oh-oooh, baby lover
Oh-oh-oh-oh-oh-oooh, I want you so

Come swing with me in my cradle of dreams
Come share with me all of life's precious schemes

To ev'ry heart one love will come
To never part, and you are that one
Oh-oh-oh-oh-oh-oooh, baby lover
Oh-oh-oh-oh-oh-oooh, I love you so

Come swing with me in my cradle of dreams
Come share with me all of life's precious schemes

To ev'ry heart one love will come
To never part, and you are that one
Oh-oh-oh-oh-oh-oooh, baby lover
Oh-oh-oh-oh-oh-oooh, I love you so

Come swing with me in my cradle of dreams
Come share with me all of life's precious schemes

To ev'ry heart one love will come
To never part, and you are that one
Oh-oh-oh-oh-oh-oooh, baby lover, I love you so
Oh-oh-oh-oh-oh-oh-oh!
