Sometimes I get the feeling
I was back in the old days long ago
When we were kids, when we were young
Things seemed so perfect, you know

Days were endless, we were crazy, we were young
Sun was always shinin', we just lived for fun
Sometimes I feel like lately I just don't know
Rest of my life seems just a show

Those were the days of our lives
The bad things in life were so few
Those days are all gone now but one thing is true
When I look and I find, I still love you

You can't turn back the clock, you can't turn back the
tide
Ain't that a shame? Ain't that a shame?
I'd like to go back one time on a roller coaster ride
When life was just a game

No use in sitting thinkin' on what you did
When you can lay back and enjoy it through your kids
Sometimes it seems like lately, I just don't know
Better sit back and go with the flow

'Cause these are the days of our lives
They've flown in the swiftness of time
Those days are all gone now but some things remain
When I look, I find no change

Those were the days of our lives
The bad things in life were so few
Those days are all gone now but one thing's still true
When I look and I find, I still love you

I still love you, I love you
I still love you, love you
I still love you, I still love you
Still love you, ooh yeah
