Where? Where?
Where? Where?
Where did the snowman go?

I can see his pipe and top hat, as they lie there in the snow!

Where did the snowman...
Where did the snowman...
Where did the snowman go?

I've been asking Mom and Daddy, but they said they didn't know...

Where did the snowman...
Where did the snowman...
Where did the snowman go?

Only yesterday I met Jack Frost; he said there'll be a storm,
So I lit a little fire just to keep my snowman warm.

Did he slide back home to snow land to become an Eskimo?

Where did the snowman...
Where did the snowman...
Where did the snowman go?

Did he go to Iceland? No! No! No!
Well did he go to Snow land? No! No! No!
Where? Where?
Where? Where?
Where did the snowman go? Go!

Has he gone to visit Rudolph, helping Santa through the snow?

Where did the snowman...
Where did the snowman...
Where did the snowman go?

I have sent a note to Santa; I am sure that he would know

Where did the snowman...

Where did the snowman...
Where did the snowman go?

When I left him standing on the lawn he seemed so
cold and damp,
I went right into the house and got a nice warm sun-ray
lamp.

I would give a million pennies, if he'd come back to me
now

Where did the snowman...

Where did the snow man...

Where did the snowman go?

Where did my snowman go? Where did he go!
