(Tony Hatch)

You'd better come home  
And stop your running around  
You'd better come home  
And get your feet on the ground  
'Cause I won't share my love with anyone new

You'd better be smart  
You've gotta make up your mind  
Stop breaking my heart  
And leave the others behind  
'Cause I won't share my love whatever I do

The love that I give  
For as long as I live will be yours  
And nothing can change the way that I feel  
So, baby, come back to me (baby, come back to me)  
Baby, come back to me (baby, come back to me)  
Love me like you did before

You'd better come home  
And see the damage you've done  
You'd better come home  
Because you've had all your fun  
And I won't share my love with anyone new  
No no

The love that I give  
For as long as I live will be yours  
And nothing can change the way that I feel  
So, baby, come back to me (baby, come back to me)  
Baby, come back to me (baby, come back to me)  
Love me like you did before

You'd better come home  
And see the damage you've done  
You'd better come home  
Because you've had all your fun  
And I won't share my love with anyone new  
No no  
I just want to share it with you

You'd better come home  
You'd better come home  
You'd better come home  
(fade out)
