Fell into her sides that crept up before my eyes  
Severed all her thoughts that completely destroyed my  
Mind  
Held her to the ground before I let her go

I fell inside of you then I let you down  
I let you down

Inside us divide us  
You know we're cooperated  
I always left you to find

Employ us destroy us  
It makes no difference lately  
I always let you divide  
I always let you divide

I fell inside of you then I let you down  
I let you down
