Borrowed all your troubles and lay them down
For see things that are to sound
Using all your covers I let you run
Or are you trying to lift me sun
I know you're fine, I know you're fine

Hiding all the things that make me one
Time to call on all your holly suns
I know you're fine

Feel all the pages there's more to love
Or are you trying to lift me sun
I know your fine, I know your fine,

And ya feel in touch, more than the answer,
You feel all crushed, taken your chances
Yeah you letting me decide it's more than the answer
you
Know
It's more than the answer you know

Quite revolution is in disguise,
Quite revolution is in your eyes
It's in your eyes,

Haunted by my lonely paradise
Or are you trying to lift me sun,
I know you're fine, I know you're fine

And ya feel in touch, it's more than the answer,
You feel all crushed, taken your chances
Yeah you letting me decide it's more than the answer
you
Know
It's more than the answer you know

Lord of dirt catches the art between
Idle hands and plastic magazines
I know you're fine
Welcome to the art of anomaly
Welcome to the art of is
I know you're fine I know you're fine

Yeah ya feel in touch, it's more than the answer,
You feel all crushed, taken your chances
Yeah you letting me decide it's more than the answer
you
Know,
It's more than the answer,
Yeah ya feel in touch, it's more than the answer,
You feel all crushed, taken your chances
Yeah you letting me decide it's more than the answer
you
Know
More than the answer, yeah ya feel in touch, taken your
Chances
Yeah ya feel all crushed, taken your chances,
Yeah you letting me decided it's more than the answer
You'll know
More than the answer you know
