Face it
Oh you never
Leave this town
But you
Wait
But you never
No you never
You never
Turn around

Oh you better
Turn around and
Stop this shit from falling
Life is over
Yeah ah yeah

Oh you better turn around
And stop this shit from falling
Life is over
Yeah oh oh oh

One sweet day
You will say
Oh I should have left here

One sweet day
You will say
Oh I should have left here

Wasted house
Oh you could have
Left this town
But you wait
Oh you never
Stop this shit from falling down

Hey you better
Turn around and stop this shit from falling
Life is over

Hey you better
Turn around and stop this shit from falling

Life is over
Yeah
Yeah

No you never
No you never
Ah you better
You better
You better turn

Ah you better
Ah you better
You better you better
You better
You better turn

One sweet day
You will say
Oh I should have left here

One sweet day
You will say
Oh I should have left here
