Ooh... the tones that keep your heart alive. They call, they call, but no one answers. Ooh... the times when we were most informed. We fell, we fell, we did not care.

We are alive.
We just survived it.
Ooh... our love is better than before.
Come take my hand, don't ever let it go.
Don't ever let it go.

Shame on those who have the answers...

For not telling on time.

Evidence of cruel anger, is all in all of what they'll find.

We are alive.
We just survived it.
Ooh... our love is better than before.
Come take my hand, don't ever let it go.
Don't ever let it go.

Ooh... our love is better than before. Come take my hand, don't ever let it go. Don't ever let it go.

We are alive
We just survived it.
Ooh... our love is better than before.
Come take my hand, don't ever let it go.
Don't ever let it go.
