Nothing I could say would matter anyway  
Just a vain display with me in the middle  
No more empty words will anymore be heard  
All my rhymes and verbs mean very little  
Like whispers thrown against the wind  
Like empty phrases caving in

It doesn't mean anything without You  
Just a nice melody without You  
Without Your spirit to sing  
Of the hope and the joy that You bring  
Without You it doesn't mean anything

Nothing I'll ever do  
Could ever hold a candle to  
The love displayed when You  
Said You forgave me  
And what I know of love  
Is that I'm not deserving of  
One You call Your Son  
Once sent to save me  
Like love holding the hand of hate  
You choose to love me anyway

It doesn't mean anything without You  
Just words that I say without You  
Without Your spirit to sing  
Of this change of the heart that You bring  
Without You it doesn't mean anything  
It doesn't mean anything without You  
Just a nice melody without you  
Without Your spirit to sing  
Of the hope and the joy that You bring  
Without You it doesn't mean anything  
It doesn't mean anything without You  
Just words that I say without You  
Without Your spirit to sing  
Of this change of the heart that You bring  
Without You it doesn't mean anything  
Anything, yeah
