Confusion...is here to stay
With the wrong power, we blow away

I know you don't want to be like me said
I know you don't want to be like me said
I know you don't want to be like me said
I know you don't wanna...
Don't wanna wait...
Don't wanna wait...
Don't wanna be...don't wanna be like me!
I don't blame you!
I don't blame you!
I don't blame you!
I don't blame you!

Well, Ignorance...is here to stay
We must join hands and I can feel the wave

I know you don't want to be like me said
I know you don't want to be like me said
I know you don't want to be like me said
I know you don't wanna...
Don't wanna wait...
Don't wanna wait...
Don't wanna be...don't wanna be like me!
I don't blame you!
I don't blame you!
I don't blame you!
I don't blame you!

Don't wanna have to hide from you...see?
I don't wanna have to do what I don't wanna
I don't wanna be what I don't want to be
Said "We gotta find a way...we gotta find away to live in
harmony
What,What?
What,What? Don't you here me?
Follow the words of Martin Luther King
Follow his life
Follow his dream
And sing "Free At Last!"

Free At Last!
Free At Last!
Free At Last!
Free At Last!
