I come from a very old family
I come from a time long ago
I come here today to be with you
I come here today just to showÂ..... you see,
I could be anyone of you,
I live in the sky up above you
I live in the earth down below you
And I liveÂ...

Hit the jip with the jip of the nation
AinÂ't never took a penny from a penny provocation,
As I ground with the pound of the flesh that IÂ'm taking
So if you wanna have a revolutionary conversation.

Oh my, how I spy, with my little eye, the paradoxical
pie,
How can we sustain, the seemingly endless gain
A million consumer varieties dictatinÂ' how we ought to
live

Listen Mr Sleaze politician
Cause the people have chosen to speak
Now weÂ're not very pleased with the system
YouÂ're mistaken to think weÂ're asleep
Your indifference so disappoints us
Your contempt for the world so annoys us,
So, as your employer we regret to inform ya,
take your coat take your hat take a leap (take a leap)

Tell me Mr Politician man your manifesto
So you wanna be the ruler of the world, I kinda guessed
so
Mr Greed, Mr Sleaze, Mr Multi-corporation
Now we gonna manifest our celestial best & reclaim
the power for the people
Listen Mr Sleaze politician
Cause the people have chosen to speak
Now weÂ're not very pleased with the system
YouÂ're mistaken to think weÂ're asleep
Your indifference so disappoints us
Your contempt for the world so annoys us,
So, as your employer we regret to inform ya,

take your coat take your hat take a leap (take a leap)

So this time feel, see the sign of our demise
Nobody is indestructible
Or we must be prepared, cause no body will be spared
Sacrifice your comfort zone for something more than
you alone

Listen Mr Sleaze politician
Cause the people have chosen to speak
Now weÂ're not very pleased with the system
YouÂ're mistaken to think weÂ're asleep
Your indifference so disappoints us
Your contempt for the world so annoys us,
So, as your employer we regret to inform ya,
take your coat take your hat take a leap (take a leap)

My oh my, see the signs, read beÂ.... between the
lines, cause only we can make a difference.

Oh my,
see the sign
Read between the lines
Cause only you can make a difference
