I am more than this flesh and bone  
By myself i wander the streets alone  
But when my dream is over and morning creeps on in  
I pull the covers back and i feel your warmth again

Chorus

There is something inside  
That i can't explain  
But by the grace of God i  
Am made whole again  
In the times i have fallen  
And when i felt the shame  
Yet by the grace of God i  
Am made whole again  
In the times i have fallen  
And when i felt the shame  
Yet by the grace of God i  
Am made whole again

Sold in my pride i said i know  
So i bought the lie and chained my soul  
But mercy runs deep and seeks to fill  
An empty well of shadow that  
One day will reveal

Chorus
