Try to see it my way
Do i have to keep on talkin till i can't go on?

While you see it your way
Run a risk of knowing that our love will soon be gone

We can work it out
We can work it out

Think of what you're sayin
You can get it wrong and still you think that it's all right

Think of what i'm saying
We can work it out and get it straight, or say goodnight

We can work it out
We can work it out

Life is very short and there's no time
For fussing and fighting, my friend
I have always thought that it's a crime
So i will ask you once again

Try and see it my way
Only time will tell if i am right or i am wrong
While you see it your way
There's a chance that we might fall apart before too long

We can work it out
We can work it out

Life is very short and there's no time
For fussing and fighting, my friend
I have always thought that it's a crime
So i will ask you once again

We can work it out
We can work it out
