I stab myself with a rusty knife  
My guts are spilling on the floor  
I've used the final ticks of life  
To even up the score  
I don't wanna be your pain donkey, baby  
I don't wanna be your pain donkey, baby  
Red all over your white carpet  
I don't wanna be your pain donkey, baby  
I stab myself with a rusty knife  
My guts are spilling on the floor  
I used the final ticks of life  
To even up the score  
I don't wanna be your pain donkey, baby  
I don't wanna be your pain donkey  
It's only make believe  
I'm just kidding  
No, not true  
I'm very much alive  
So happy Halloween to you  
I eat the eyeball of a dog  
The witch's tit is cold and hard  
My time has come the banshee wails  
I've drawn the deaths head tarot card  
I don't wanna be your pain donkey, baby  
I don't wanna be your pain donkey, baby  
I may be a fool but I'm no mule, baby  
I don't wanna be your pain donkey, baby  
It's only make believe  
I'm just kiddng  
No, not true  
I'm very much alive  
So happy Halloween to you  
The chainsaw roars  
It's filled with fire  
The werewolf howls  
The viper stings  
A thousand corpses form the choir  
To crown the evil zombie king  
I don't wanna be your pain donkey, baby  
I don't wanna be your pain donkey, baby  
It's only make believe  
I'm still alive

No, no not true  
I'm very much alive  
So happy Halloween to you  
I don't wanna be your pain donkey, baby  
I don't wanna be your pain donkey, baby  
Rusty shovel  
I'm in trouble  
Digging my grave  
No soul to save  
I'm rotten and relapsing  
My body is collapsing  
Don't just stand there dammit, dig!  
I don't wanna be your pain donkey, baby  
I don't wanna be your pain donkey, baby
