It's too late to say what your doing is killing me
Now too soon to pay
Where i willingly
Where you stand there with somebody else
By your side
While, the man inside of me
Has died
Died
Died

Somebody give me a mirror
So i can check myself
A reflective jumpkick
Back to reality

Its a shock to my system
Called you on your own
Cause you mean so much to me
I don't want things to change but how
Can things forever stay the same
Can't invision where this is going

Somebody give me a mirror
So I can check myself
A reflective jumpkick back
Back to reality

Ahhhhhhhhhhhhhh
Ahhhhhhhhhhhhhh
Ahhhhhhhhhhhhhhhh
Ahhhhhhh
Ahahhhhhhhaaaaaa

Ahhhhhhhhhhhhhhhhhhhh!
Ohhhhhhhh
Whoaaaaaaaaahhhhhhhhhhh
No No No No!
Whoaaaaaaaaahhhhhhh
