i do or did every stupid thing to fuck up my life

causing gang fights.  
when it comes to drugs i'm in need  
doap feans  
like me going crazy  
when theres no weed.  
get the cash  
sit back and relax smoke  
2 gallons of grass  
put tobaco in its ass  
and mix it with hash.  
am going on the wrong path  
i take life as a game its all a big laugh  
but i still don't care  
about anything any how and every where.  
exept a little town called ville st.pierre

Chorus: X2

i hate school i hate that stuff  
i can't wait to drop out when im old annofe  
so i could be free  
on the streets.  
and sitting a in garbage can  
smoking. weed.
