Hangin' on a string, walkin' a tightrope  
I've been relying on myself for far too long  
Livin' on my own and thinkin', I'd cope  
Why'd I put You on the shelf, oh, I was wrong

Livin' on good intentions  
Never got me very far  
Only with Your direction  
Can I get to where You are?

Home again  
I've been gone way too long  
Home again  
I don't want to roam no more  
I'm where I belong

I must have thought  
Dreamin' again out of habit  
Something 'bout tryin'  
To get myself ahead

Led to want it all  
Then remembering I had it  
I've been down that road  
And won't go back again

Livin' on good intentions  
Never got me very far  
Only with Your direction  
Can I get to where You are?

Home again  
I've been gone way too long  
Home again  
I don't want to roam no more  
I'm where I belong

Home again  
I've been gone way too long  
Home again  
I don't want to roam no more  
I'm where I belong

Home again  
I've been gone way too long  
Home again  
I don't want to roam no more  
I'm where I belong

Home again  
I've been gone way too long  
Home again  
I don't want to roam no more  
I don't want to roam no more  
I don't want to roam no more  
I'm where I belong
