"Missing Love"

I spent my life learning to survive,
Walked down these roads
Hoping each one might lead me home.
I learned early on that trust can come undone
And leave your heart guarding it's deepest part.
Oh, But You got in through the marrow and bone
Shed some light where none had shone.
I lost,
I found,
Oh, I was missing love,
Oh, missing love.
I fought to stand my ground.
Oh, I was missing love, oh, missing love.
Can you teach me to live as one who's free,
From fear, from shame,
And the lie that I'll never change.
Help me to see myself through my Lover's eyes
No more mask, no disguise.
I lost,
I found,
Oh, I was missing love,
Oh, missing love.
I fought to stand my ground.
Oh, I was missing love, oh, missing love.
You found me and made me whole again,
My Savior, my Friend.
I lost,
I found,
Oh, I was missing love,
Oh, missing love.
I fought to stand my ground.
Oh, I was missing love, oh, missing love.
I lost,
I found,
Oh, I was missing love,
Oh, missing love.
I fought to stand my ground.
Oh, I was missing love, oh, missing love.
Missing love.
Missing love.
(I lost.)
(Missing love, oh, missing love.)

Missing love.
(I lost.)
(Missing love, oh, missing love.)
I was missing love.
(I lost.)
(Missing love, oh, missing love.)
