you gotta reach out and take it  
before it goes by too fast  
they say life it what you make it  
i think we made it at last  
some people say we're crazy  
but we're all spinnin round  
we're all spinnin round  
you and me we got something to say  
we're all spinnin round  
we're all spinnin round  
just because you think you're lucky well  
we're all spinnin round  
we're all spinnin round  
but you and me got something inside  
and i think we're gonna make it  
you got your four wheels spinning  
you dig em down in the ground  
just when you think you're winning  
they're all putting you down  
some people say we're crazy  
but we're all spinnin round  
we're all spinnin round  
you and me we got something to say

we're all spinnin round  
we're all spinnin round  
just because you think you're lucky well  
we're all spinnin round  
we're all spinnin round  
but you and me got something inside  
i think we're gonna make it, yeah, yeah  
round round round spinning around  
round round round spinning around  
round round round spinning around  
round  
some people say we're crazy  
but we're all spinnin round  
we're all spinnin round  
you and me we got something to say  
we're all spinnin round  
we're all spinnin round  
just because you think you're lucky well

we're all spinnin round  
we're all spinnin round  
but you and me got something inside  
and i think we're gonna make it
