I am more than this flesh and bone
By myself i wander the streets alone
But when my dream is over and morning creeps on in
I pull the covers back and i feel your warmth again

Chorus

There is something inside
That i can't explain
But by the grace of God i
Am made whole again
In the times i have fallen
And when i felt the shame
Yet by the grace of God i
Am made whole again
In the times i have fallen
And when i felt the shame
Yet by the grace of God i
Am made whole again

Sold in my pride i said i know
So i bought the lie and chained my soul
But mercy runs deep and seeks to fill
An empty well of shadow that
One day will reveal

Chorus
