He painted 'I love you' on the bridge  
Then watched them burn  
She bet all she had upon the love  
Now she's holding her cards  
And lost her turn  
Two hearts in search of wholeness  
Both willing to risk it all  
Could true love have fled so easily  
Leaving both broken from the fall

Not the Love i know

It knows no boundaries  
Keeps no record of wrongs  
....That's the Love I know  
It takes the good with the bad  
And it fights to stay strong  
....That's the Love I know  
This Love always finds a way  
To carry on  
That's the Love I know

He sits all alone  
And stares into an empty sky  
She goes through all her mixed emotions  
Trying to find a reason why  
Was their pride to big to swallow  
Was their hurt to big to heal  
Could they find some understanding  
Find forgiveness that's real  
That's the Love i know

It speaks in kindness  
Its seeks only what's true  
....That's the Love I know  
A love without condition  
It looks to renew  
....That's the Love I know  
It knows that when hope seems gone  
Hope will come through  
That's the Love I know

The Love I know comes from a holy God to man  
Isn't it time that you received it  
Are you starting to understand  
The Love I know

That's the Love I know  
It speaks in kindness  
It seeks only what's true  
....That's the Love I know  
A Love without condition  
It looks to renew  
....That's the Love I know  
It knows that when hope seems gone  
Hope will come through  
That's the Love I know
