"Walk Away From Love"

I know you, I know you, doubt what I am saying
You think that I've been deceived
To follow after what some call a weak man's haven
It seems so simple that it's hard to believe

I can't understand why you would walk away from love
No I don't understand why you would walk away from
love
Just can't understand why you would walk away from
love
I'll never understand why you would walk away from
love

Maybe I'm right and He's waiting at the table
Maybe it happened when I saw it was my sin
Maybe He's waiting for a chance to show you true love
Maybe you'll never get this chance again

I can't understand why you would walk away from love
No I don't understand why you would walk away from
love
Just can't understand why you would walk away from
love
I'll never understand why you would walk away from
love

I'm a fool, so are you, I'm a fool, so are you
Maybe you think I'm a fool for what I'm saying
Maybe that's what I'd like to be
Or maybe you're a fool to say you're a wise man
Either way you lose unless you meet with my King

I can't understand why you would walk away from love
No I don't understand why you would walk away from
love
Just can't understand why you would walk away from
love
I'll never understand why you would walk away from
love

I can't understand why you would walk away from love
No I don't understand why you would walk away from

love
Just can't understand why you would walk away from
love
I'll never understand why you would walk away from
love
