Maybe sometimes I feel right
Maybe sometimes I feel wrong
just need you to hold me tight
and stay all night long
Maybe I just need some times
maybe I need more than lies
maybe I'm just feeling fine
this ending will not die
I wish that you will hold me now
wish you here that you're not grouch

I'm falling
I'm crawling
I'm spillding all the times I know
I'm about to fall
I need to get through it all
I just see walls
Not like this

Maybe sometimes I feel fine
maybe sometimes I need a different ending
I need to breathe it
so I can find a little bit
Do you see me
Do you see me like I see you
do you feel me
do you feel me like I feel you

I'm falling
I'm crawling
I'm spillding all the times I know
I'm about to fall
I need to get through it all
I just see walls
Not like this

Not like the girl you hold tight
and leave this night
not like the girl you choke
when it smokes
not like the girl you used to know

please don't let go
of me of me of me of me
do you see me
do you see me like i see you
do you feel me
do you feel me like i feel you

I'm falling
I'm crawling
I'm spillding all the times I know
I'm about to fall
I need to get through it all
I just see walls
Not like this
I'm falling
I'm crawling
I'm spillding all the times I know
I'm about to fall
I need to get through it all
I just see walls
Not like this
I'm falling
I'm crawling
I'm spillding all the times I know
I'm about to fall
I need to get through it all
I just see walls
Not like this
