

## Phantom "Sidewalk Messiah"

Visit "[Sidewalk Messiah](#)" on MotoLyrics.com

Sidewalk messiahs sluttering the street  
Calling for a sigh  
Doling out salvation to wolves the rotted meat  
Damn you for all time  
You got me nailed down  
Kneel and pray  
Sidewalk Messiah - Sidewalk Messiah  
Call for sacrifice  
Hellfire preacher - derision on display  
Blood & Sacrifice  
Black hearted city - altar of decay  
Babylon doth rise  
You got me nailed down  
Kneel & pray  
As the blind lead the blind  
They call out for sacrifice  
Sidewalk Messiah - sidewalk Messiah  
Sidewalk Messiah - call for sacrifice  
You got me nailed down  
Kneel & pray  
My Kingdom come  
My will be done
