(Jaaneman jaaneman tere do nayan  
Chori chori leke gaye dekho mera man  
Jaaneman jaaneman jaaneman  
Mere do nayan, chor nahi sajan  
Tumse hi khoya hoga kahi tumhaara man  
Jaaneman jaaneman jaaneman) -2

(Tod de dilo ki doori, aisi kya hai majboori  
Dil dil se milne de  
Jaa, abhi to huwi hai yaari, abhi se hi beqaraari  
Din to zara dhhalne de) -2  
Yahi sunte, samajhte, guzar gaye jaane kitne hi  
saawan  
Jaaneman jaaneman...  
Mere do nayan,

(Sang sang chale mere, maare aage peechhe phere  
Samjhu main tere iraade  
Doshh tera hai ye to, har din jab dekho  
Karti ho jhoothhe waade) -2  
Tu na jaane, diwaane, dikhaau tujhe kaise main ye dil  
ki lagan  
Jaaneman jaaneman ...  
La la ..., Mere do nayan,

(Chhedenge kabhi na tumhe, zara batlaado hame,  
Kab tak ham tarsenge  
Aise ghabhraao nahi, kabhi to kahi na kahi  
Baadal ye barsenge) -2  
Kya karenge baraske, ke jab murjhaayega ye saara  
chaman  
Jaaneman jaaneman...  
La la ..., Mere do nayan...
