She was more like a beauty queen from a movie scene
I said don't mind, but what do you mean I am the one
Who will dance on the floor in the round
She said I am the one, who will dance on the floor in the
round

She told me her name was Billie Jean, as she caused a
scene
Then every head turned with eyes that dreamed of
being the one
Who will dance on the floor in the round

People always told me be careful of what you do
And don't go around breaking young girls' hearts
And mother always told me be careful of who you love
And be careful of what you do 'cause the lie becomes
the truth

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son

For forty days and for forty nights
The law was on her side
But who can stand when she's in demand
Her schemes and plans
'Cause we danced on the floor in the round
So take my strong advice, just remember to always
think twice

She told my baby that's a threat as she looked at me
Then showed a photo of baby cries eyes were like mine
Go and dance on the floor in the round

People always told me be careful of what you do
And don't go around breaking young girls' hearts
She came and stood right by me
Then the smell of sweet perfume
This happened much too soon
She called me to her room

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
