Insolent boy, this slave of fashion, basking in your
glory

Ignorant fool, this brave young suitor, sharing in my
triumph

Angel, I hear you speak, I listen, stay by my side, guide
me

Angel, my soul was weak forgive me, enter at last,
master

Flattering child, you shall know me, see why in shadow
I hide

Look at your face in the mirror, I am there inside

Angel of music, guide and guardian, grant to me your
glory

Angel of music, hide no longer, come to me strange
Angel

I am your Angel of music come to me, Angel of music
I am your Angel of music come to me, Angel of music
