Past the point of no return, no backward glances  
The games we've played, till now are at an end  
Past all thought of if or when, no use resisting  
Abandon thought and let the dream descend

What raging fire shall flood the soul?  
What rich desire unlocks its door?  
What sweet seduction lies before us?

Past the point of no return, the final threshold  
What warm unspoken secrets will we learn?  
Beyond the point of no return

You have brought me  
Through that moment where words run dry  
Through that moment where speech disappears  
Into silence, silence

I have come here, hardly knowing the reason why  
In my mind I've already imagined  
Our bodies entwining defenseless and silent  
And now I am here with you  
No second thoughts, I've decided, decided

Past the point of no return, no going back now  
Our passion play has now at last begun  
Past all thought of right or wrong, one final question  
How long should we two wait, before we're one ?

When will the blood begin to race  
The sleeping bud burst into bloom?  
When will the flames at last consume us?

Past the point of no return, the final threshold  
The bridge is crossed, so stand and watch it burn  
We've passed the point of no return

Say you'll share with me one love, one lifetime  
Lead me, save me from my solitude  
Say you want me with you here beside you

Anywhere you go let me go too

Christine, that's all I ask of

What is it? What has happened?  
Ubaldo! Oh my God! My God!  
We're ruined Andre, ruined!  
Monsieur le Vicomte!  
Come with me!  
Oh my darling, my darling!  
Who has done this to you?  
You! Why did you let this happen?

Monsieur le Vicomte  
I know where they are  
But can I trust you?  
You must, but remember  
Your hand at the level of your eyes!  
But why, why?  
The Punjab lasso, Monsieur  
First Buquet, now Piangi

Like this, Monsieur I'll come with you  
No, Meg! No, you stay here!  
Come with me, Monsieur  
Hurry, or we shall be too late!
