Raoul:

Why have you brought me here?

Christine:

We can't go back now

Raoul:

We must return

Christine:

He'll kill you

His eyes will find us there

Those eyes that burn

If he has to kill one thousand men

The phantom of the opera will kill and kill again

Raoul:

Who is this Phantom of the Opera?

Christine:

My God who is this man, who hunts to kill

I can't escape from him, I never will

Both:

But in this labyrinth, where night is blind

The Phantom of the Opera is there inside my mind.

Raoul:

There is no Phantom of the Opera.

Christine:

Raoul I've been there

To his world of unending night

To a world where the daylight desolves into darkness,  
darkness

Raoul I've seen him, Can I ever forget that sight

Can I ever escape that face so distorted, deformed

It was hardly a face in the darkness, darkness

But his voice filled my spirit with a strange sweet sound

In the night there was music in my mind

And through music my soul began to soar

And I heard like I've never heard before

Raoul:

What you heard was a dream and nothing more.

Christine:

Yet in his eyes, all the sadness in the world

Those pleading eyes that both threaten and adore

Raoul:Christine,Christine
