I feel depressed, I feel so bad
'Cause you're the best girl that I ever had
I can't get your love, I can't get a fraction
Uh-oh, little girl, psychotic reaction
(shouted) And it feels like this!

[Instrumental break]

I feel so lonely night and day
I can't get your love, I must stay away
I need you girl, by my side
Uh-oh, little girl, would you like to take a ride, now
I can't get your love, I can't get satisfaction
Uh-oh, little girl, psychotic reaction

[Instrumental break]
