So they can't understand
I can't understand myself
So caught up in
All the things that I can't change
Nevermind what stays the same
I know nothing does
I know...
What they will not find
I've tried to fight
Against a world that doesn't listen

I've tried to fight
Against a world that still can't hear
Why can't they hear?
?
It's not just me
And I'm still waiting
Nevermind what stays the same
I know...
Nevermind what stays the same
I know nothing does
