One last time  
I took a look at what I once lost  
Another part of me that's gone  
It's too late to turn back  
I tried to look ahead  
And couldn't turn away  
After so much has gone wrong  
I never thought I'd have to say  
Can't see a difference  
Through all the promises  
And the lies...  
There were the moments that we had  
To me that always last  
I've tried to put it all behind  
When I'd give so much to get back  
Take me back  
To a different place  
Unbroken by yesterday  
These words so far behind  
I never thought I'd have to say  
Can't see a difference  
Through all the promises  
And the lies...
