Please leave your name and number at the front desk  
It's possible that I might remember you  
I'm living confused, don't know what to do  
They don't deserve you

You're company is leaving me breathless  
I'm tasteless  
I promised you a house on each coast  
Don't think that I wont

To tell you the truth I never thought I would see this in  
you  
You're beautiful you stop the clocks  
So I can take my time and stock  
It's been four years  
Four years of my life  
Wasted on you  
It's been four years  
Four years of my life  
Wasted without you

You're company is leaving me breathless  
I'm tasteless  
I promised you a house on each coast  
Don't think that I wont  
Good lord
