I can swear I feel the beating of a cold cold heart
Or there's a chill, 'cause it's showing through your
clothing
And as far as I can tell
There's nothing underneath your v-neck tee
I'm begging I'm begging
I'm begging you please now

Tell me that you want me
Tell me that you need me
Tell me 'cause I'd like to know
Won't you stop teasing me
Won't you take it easy
Tell me 'cause I'd like to know

You're never gonna go
Drop
Whatcha
Got
Now

Everybody knows the way the eye goe
Moving like a curtain closes over the finale
From your head down to your toes
Up and down checking you out now beyond a doubt
Make a copy in the office for the desk with the windows
In the ivory dome
You've made it your home
See you in the sills
Smiling ear to ear
Never gonna go

Do you want me
Tell me that you need me
Tell me 'cause I'd like to know
Won't you stop teasing me
Won't you take it easy
Tell me 'cause I'd like to know

You're never gonna go
Drop
Whatcha

Got
Now

Tell me that you want me
Tell me that you need me
Tell me 'cause I'd like to know
Won't you stop teasing me
Won't you take it easy
Tell me 'cause I'd like to know

You're never gonna go
Drop
Whatcha
Got
Now

Tell me that you want me
Tell me that you need me
Tell me 'cause I'd like to know
Now!
