

Phantom Planet "Dying Of Silence"

Visit "[Dying Of Silence](#)" on MotoLyrics.com

So as I stand here dying of silence tonight,
The quiet spell you slung on the ceiling fan
You will return again,

[chorus:]

Why?
I ask myself sometimes,
Dine on small talk after school
Why?
I ask myself sometimes

So as the mood gets darker and darker tonight,

Can't help but feel a little
uncomfortable alright
you will return again

[chorus]

Why?
I ask myself sometimes
Why, why , why?
I ask myself sometimes
Why, why, why?
