Love's a beautiful thing
But it's got nothing to do with me
I will put up a fight
If that bug starts to bite

Well Cupid you little fuck
You shot an arrow and I got stuck
Well what is good is love if I just

Get in
Get out
Get into it

Fall out
Fall in
Fall out of it

Get in
Get out
Get into it

Fall out
Fall in
Fall out of it

I've got no business with

Love's a beautiful thing
But something's puzzling me
Do I give all I can give
'Cause Adam gave up his rib

Well Cupid you little shit
You shot an arrow and I got hit
What good is love if I just

Get in
Get out
Get into it

Fall out
Fall in

Fall out of it

Get in
Get out
Get into it

Fall out
Fall in
Fall out of it

I've got no business with love

Cupid you little shit
You shot an arrow and I got hit
What good is love if I just

Get in
Get out
Get into it

Fall out
Fall in
Fall out of it

Get in
Get out
Get into it

Fall out
Fall in
Fall out of it

I've got no business with love
I've got no business with love
I've got no business with love
I've got no business with love
I've got no business with love
