There are so many signs the end is nigh  
Our leader told us so besides  
We follow him blind, to and fro  
Wherever he decides to go

He speaks, we listen  
We'll see his vision

He explain so easily  
We are all the missing pieces  
Maybe you'll fit right in too  
Ask yourself, it might be true

Now join our hands and come along  
The day's about to dawn  
You feel it coming  
On and on the hour's upon you  
Now it won't be long  
You feel it coming

Now we'll put you in our uniform  
Everyone will be reborn  
Wear us over where your heart is  
Your new life with us has started

You'll speak  
He'll listen  
We'll see  
His vision

Join our hands and come along  
The day's about to dawn  
You feel it coming  
On and on the hour's upon you  
Now it won't be long  
You feel it coming  
Sitting on it all along  
We're on a ticking bomb  
You feel it coming  
On and on the hour's upon you  
Now it won't be long  
You feel it coming

You feel it coming  
You feel it coming  
(You feel it coming)  
You feel it coming  
You feel it coming

Join our hands and come along  
The day's about to dawn  
You feel it coming  
On and on the hour's upon you  
Now it won't be long  
You feel it coming  
Sitting on it all along  
We're on a ticking bomb  
You feel it coming  
On and on the hour's upon you  
Now it won't be long  
You feel it coming

You feel it coming  
You feel it coming  
You feel it coming  
You feel it coming
