Watching a setting star I lost myself in orbit
And a comet flew by as I went under
All of this angry space
I'm wasting all my time
I care that you don't know who you are
I can't rise the setting star
And I am looking for a new way out
Watching a burning sun
I lost myself in your eyes
And a comet flew by as I went under
All of this angry space
I'm wasting all my time
I care that you don't know who you are
I can't rise the setting star
And I am looking for a good way out
All of this angry space
I'm wasting all my time
I care that you don't know who you are
I can't rise the setting star
And I am looking for a good way out
