Feel the flow baby..
Ohh yeah.

Gone.
Get gone.
You had your chance to be with me.
So gone.
Get gone.
You had your chance and let it slide.

She's gone, she's gone, she's gone and I don't even
care.

Gone.
Get gone.
Go to your droves and manage flies. (?)
So gone.
Get lost.
Go lay some other teenage guy.

She's gone, she's gone, she's gone and I don't even
care.

She's gone,
she's gone,
she's gone and left me here alone.

Bye bye.
