I can't say if this feeling coming over me is real  
But I know it's something you can't steal  
So I'll buy another problem to approach  
Sell a virgin lie that can't be touched  
So I fall again, so I fall again  
So I break through this rotten piece of wood again

I can't say if this here fucking subject should be  
dropped  
But I know it's something you can't stop  
So I'll buy another pickup line and sigh  
And pretend that everything is alright  
So I fall again, so I fall again  
So I break through this rotten piece of wood again

So I break through this rotten piece of wood  
So I break through this rotten piece of wood  
So I break through this rotten piece of wood again  
So I fall again, so I fall again  
So I break through this rotten piece of wood again
