I suppose
That there's no way
To break a broken heart

But you've been gone
I don't know how long
I've waited with open arms

Would you please
Put out your cigarette?
'Cause the guest is getting sick of it

And you are acting like an idiot
Oh, would you please
Put out your cigarette?

And once I tried
To close my eyes
And I thought you disappeared

Would you please
Put out your cigarette?
'Cause the guest is getting sick of it

This room's a mess
It's looking hideous
Oh, would you please
Put out your cigarette?

Ooh

Would you please
Put out your cigarette?
'Cause the guest is getting sick of it
