Visit "[Who's Crazy?](#)" on MotoLyrics.com

Foaming mouth and bloodshot eyes, That's Crazy
Breasted blazer, classy tie, Insane
Screaming at pedestrians, It's Madness
Trying to get to work on time, The Shame

Who's to say who's crazy?
When everyone's unique?
And who's to say the threats to man?
When man it self's a freak?

Take a trip to the other side
And you'll no longer have to hide
It may seem real hazy
But we'll see who's crazy

Laugh at the face of crime, it's Crazy
Cringe at the thought of work, Insane
Keep your thoughts all to yourself, it's Madness
Scream out loud, don't care who knows, The shame Æ

Who's to say who's crazy?
When everyone's unique?
And who's to say the threats to man?
When man it self's a freak?

Take a trip to the other side
And you'll no longer have to hide
It may seem real hazy
But we'll see who's crazy
