She's my type  
You're the one  
You're the light  
You're the sun  
I don't shine, when you're not right here

It's your voice in the song  
Say my name and it's on,  
I'm gone find ya  
Every time you're near

And when you walk away  
Iâ'm counting down the days  
The minutes all away  
Seconds are like years,  
Without my baby  
No matter where you are  
To me it never far  
Iâ'm livinâ' every moment for my baby  
Oo-ah-oh oo-ah-oh oo-ah-oh ah-oh ah-oh x2  
Iâ'm counting down the days

In my head press replay  
Smell your skin, see your face  
And it feels, like you never left

In my mind, stop and stare  
Close my eyes and youâ're there  
Know youâ're closer, with every breath  
If you could only say  
Iâ'm counting down the days  
The minutes all away  
Seconds are like years,  
Without my baby  
No matter where you are  
To me it never far  
Iâ'm livinâ' every moment for my baby  
Oo-ah-oh oo-ah-oh oo-ah-oh ah-oh ah-oh x2

Iâ'm cou- I wish I could stop time freeze it forever,  
But thatâ's a fight that I canâ't win

Â‘Cause when weÂ’re together time goes but faster  
Until you live me counting again and again

IÂ’m counting down the days  
The minutes all away  
Seconds are like years,  
Without my baby  
No matter where you are  
To me it never far  
IÂ’m livinÂ’ every moment for my baby

IÂ’m counting down the days  
The minutes all away  
Seconds are like years,  
Without my baby  
No matter where you are  
To me it never far  
IÂ’m livinÂ’ every moment for my baby  
Oo-ah-oh oo-ah-oh oo-ah-oh ah-oh ah-oh x2  
IÂ’m counting down the daysÂ...
