They called him... Pharao... Pharao  
Nanana nana nanana nanananana...  
Pharao...

Thousands of years, he's living inside of my mind  
Love... star to mine  
He was a man, at the..... over their lives  
Pharao  
Da da da da aha da (Pharao)  
Da da da da aha da (Pharao)

Loved and adored  
An Egyptian prince is born, where the life goes  
Loved and adored  
They called him King, they called him the Pharao  
The Pharao

If you get out, I need someone to believe  
Last thing to achieve  
Live in a world, for you just got to believe  
That is true  
Da da da da aha da (Pharao)  
Da da da da aha da (Pharao)

The Pharao...  
They called him the Pharao
