

Pharao "Silence Is Golden"

Visit "[Silence Is Golden](#)" on [MotoLyrics.com](https://www.motolyrics.com)

If it had been love indeed
Tell me how much

Silence is golden, is golden right now

Hold me now, just believe in me
Such a simple thing to do
If you thrill be babe, just don't come in me
Whatever you will do to me

That's why silence is golden, is golden right now
Silence is golden, is golden right now

If you need a toy, I'll be there for you
No matter what you want from me
Simply touch me babe, just don't talk no more
Cause words mean nothing, nothing more to me

Cause silence is golden, is golden right now
Silence is golden, is golden right now

Silence (silence) is golden (is golden)

Listen to the silence is golden, is golden right now
Silence is golden, is golden right now

Right now, right now, right now
