(Verse)

Hold me close like your very first love  
Any time if this love goes slow  
Any time, every time  
Once in a lifetime

(Chorus)

You know Iâ€™m breaking up, weâ€™re gone today  
What you gonna when it comes your way?  
Any time, leetras.com every time  
Once in a lifetime  
To be another way together  
To be another way together  
Once in a lifetime

(Verse)

Every night with you  
I see the truth in things you do  
Well in my dreams if you dare I need you  
To be here  
I need you to be here

(Chorus)

You know Iâ€™m breaking up, weâ€™re gone today  
What you gonna when it comes your way?  
Any time, every time  
Once in a lifetime  
To be another way together  
To be another way together  
Once in a lifetime

Any time, every time  
Once in a lifetime

(Verse)

Thatâ€™s where them down piece shortyâ€™s love  
Pull up in the club, see the things on deck  
I know what they like leetras.com , I know what itâ€™s like  
This sexy girl to get between you, come and party all  
night  
Jump in the car and you spending that cash  
All up in both, Iâ€™m hittin off glass

Iâ€™mma bounce er and then I got it back  
Get any better I go in your stash

Once in a lifetime

(Verse)

Are you gonna feel the change?  
Baby you gotta look, itâ€™s all the same  
Gonna hold our breath, gonna hold tonight  
Gonna see this love to the morning light  
Then I hold you tight  
Til the morning light  
And breathe the pain  
Just hold me again and again  
Just hold me again and again  
Again leetras.com and again  
Jump on me

Any time, every time  
Once in a lifetime

(Verse)

Hold me close like your very first love  
Any time if this love goes slow  
Any time, every time  
Once in a lifetime
