"It's Like An Eminem Show"

Hands shaking,
Heart racing,
Look at the crowd,
I start to shout,
I didn't realize I was this good,
I ain't from the hood,
Rapping is what I like to do,
If you don't like it,
Then fuck you.

(Chorus x1)
Curtains rise,
The music dies,
Walk foward to the stage,
My body's like a cage,
I can't escape,
Try to breathe,
Why can't I see,
The lights are blinding me,
My heart's about to blow,
God damn,
It's like an Eminem show.
(End of Chorus x1)

Crowd's looking at me,
I'm trying to be mean,
That's what you're susposed to do,
I'm not susposed to be you,
Well guess what,
I am you,
I am in your shoe,
You can try to release me,
But I'm as strong as I can be.

(Chorus x2)
Curtains rise,
The music dies,
Walk foward to the stage,
My body's like a cage,
I can't escape,
Try to breathe,
Why can't I see,

The lights are blinding me,
My heart's about to blow,
God damn,
It's like an Eminem show.
(End of Chorus x2)

Nervous now,
Look like a clown,
Opened my mouth,
Let the words come out,
See the look on his face,
This ain't a place,
You can't beat,
No hard feelings,
You can't even cheat.

(Chorus x3)
Curtains rise,
The music dies,
Walk foward to the stage,
My body's like a cage,
I can't escape,
Try to breathe,
Why can't I see,
The lights are blinding me,
My heart's about to blow,
God damn,
It's like an Eminem show.
(End of Chorus x3)

The clock runs out,
Everyone starts to shout,
They're shouting my name,
It's just the same,
I'm the winner,
You're the loser,
Let's shake hands,
This ain't a rock show,
It's the battle of the bands.

(Chorus x4)
Curtains rise,
The music dies,
Walk foward to the stage,
My body's like a cage,
I can't escape,
Try to breathe,
Why can't I see,
The lights are blinding me,
My heart's about to blow,
God damn,

It's like an Eminem show.
(End of Chorus x4)
