Oh I'm so in love with you.

(Chorus x1)

Been thinking about you a lot,
Since the day I met you,
I can't release this knot,
That's in my stomach right now,
You're too good to be true.

When you're gone it's killing me,
I can't get you outta my head,
Why can't you even see,
It's getting so hard to breathe,
Without you I can't make it alone,
You make my world complete,
Cause I'm so in love with you.
(End of Chorus x1)

When you're with me,
When you kiss me,
It's hard to let go,
It's so hard.

Nothing's gonna get in our way,
I'ma make sure that nothing ever does,
Even if the world would end,
I won't let you go,
I'm so in love with you.

(Chorus x2)

Been thinking about you a lot,
Since the day I met you,
I can't release this knot,
That's in my stomach right now,
You're too good to be true.

When you're gone it's killing me,
I can't get you outta my head,
Why can't you even see,
It's getting so hard to breathe,
Without you I can't make it alone,
You make my world complete,

Cause I'm so in love with you.
(End of Chorus x2)

Oh I gotta let you know,

Without you,
I'm dead,
I wouldn't know what to do,
I think you'd understand,
You're the best boyfriend I ever had,
I'm so in love with you.

When I'm down,
I bet you would make me feel so much better,
If things would ever come around,
I got your back,
Cause I'm so in love with you,
I'm so in love with you.

(Chorus x3)
Been thinking about you a lot,
Since the day I met you,
I can't release this knot,
That's in my stomach right now,
You're too good to be true.

When you're gone it's killing me,
I can't get you outta my head,
Why can't you even see,
It's getting so hard to breathe,
Without you I can't make it alone,
You make my world complete,
Cause I'm so in love with you.
(End of Chorus x3)

It doesn't matter what you look like,
It doesn't matter what you wear,
I don't care,
I like you just the way you are,
I'm so in love with you.

So in love with you.

Will we last forever,
No one knows,
I'll keep you whenever,
Before someone else does,
Nothing will stand in our way,
Cause our love is too powerful,
I'll love you every single day,
I'm so in love with you.

Yeah_ I'm so in love with you.

(Chorus x4)

Been thinking about you a lot,
Since the day I met you,
I can't release this knot,
That's in my stomach right now,
You're too good to be true.

When you're gone it's killing me,
I can't get you outta my head,
Why can't you even see,
It's getting so hard to breathe,
Without you I can't make it alone,
You make my world complete,
Cause I'm so in love with you.
(End of Chorus x4)
