\*Walk walk, but you'll never get away from the burn  
and the heartache, i want you about a mile away,  
everywhere i go oh oh, oh oh oh.

"A broken heart"

Her apartment was small papered in 2pac posters  
She used playing cards as coasters  
Rusted pipe cockroaches  
Voted most likely to succeed  
They was right all she do now is suck-seeds  
Clutch-clit, suck-dick while she puff weed  
In the bathroom, bandaids for her scuffed knees  
With her hand chop a mountain down, you know where  
her nose at  
Running where them hookers and them hoes at  
Before the packs sold and the prozac  
She used to beg a nigger for the bozac  
Now all i ever hear is where the doughs at?  
The prada bags, Clothes at  
Took my heart, froze that  
Promised that if i opened it up it would never close  
back  
It was a love so solid  
Plans to deliver the ring like frodo the hobbit  
But you cut me off like a lane of private? on some  
bullshit, when we was just getting started  
And i can see it inside your face i'm in your space right  
people just need to move at they're on pace  
But my advantage is, Seven spiritual laws and anger  
management  
Seven spiritual laws and anger management  
Seven spiritual laws and  
[Broken Heart Lyrics On ]  
"A broken heart"

I saw you at the knicks game  
Damn you look good now  
Your new man is a bitch though  
Shoulda seen the way he switch-yo  
From my head i might remove this gun

Live my life to the fullest have fun  
Some Dr. Atkin shit no fun's cause  
99 problems and a bitch ain't one  
Streets of new york walk into the sun  
On some Martin-luther King we shall overcome  
Dismantling biz, he's back on his grizz  
Dismantling stress, he's handling his  
Plans for some attords? and for various projects  
I'm so focused now i can see through objects  
Show how i can make some positive progress  
Time is now, Oh so obvious
