(feat. Madonna)

See which flavor you like and I'll have it for you
Come on in to my store, I've got candy galore
Dont pretend you're not hungry, I've seen it before
I've got turkish delight baby and so much more

Get up out of your seat (your seat)
Come on up to the dance floor
Ive got something so sweet (so sweet)
Come on up to the front door
I need plenty of heat (heat)
Form a special connection
Just start moving your feet (your feet)
Move on over to me

I'll be your one stop (one stop)
Candy shop (candy shop)
Everything (everything)
That I got (that I got)
I'll be your one stop (one stop)
Candy store (candy store)
Lollipop (lollipop)
Have some more (have some more)

My sugar is raw
Sticky and Sweet
Dance Dance Dance

All the suckers are not all we sell in the store
Chocolate kisses so good
you'll be beggin for more
Dont pretend you're not hungry
Ive got plenty to eat
Come on in to my store
cause my sugar is sweet!

Get up out of your seat (your seat)
Come on up to the dance floor
Ive got something so sweet (so sweet)
Come on up to the front door

I need plenty of heat (heat)
